The Santa Monica High School Varsity, Junior Varsity and Freshman /Sophomore Baseball teams are all working hard and looking great. The coaches are running the practices like the pros and bringing the players to the next level. Check the game schedules and get out to cheer on the teams! Thanks to our webmaster and artist, Theresa Hart Barry, for creating and continually updating our web sites.

The snack bar is open for the games with drinks, tasty munchies and, of course, hot dogs. Checkout our new tee shirts, sweat shirts, yoga pants, luggage tags and seat cushions. All proceeds support the baseball program. Thanks to the lead parents, Monica Hirschberger, Laura Lares and Rosalie Kumagai and many helping hands!

Notice the cleaned up field looking even better with the sponsor banners hanging proudly. Thank you to Don Gray for his tireless work in producing the awesome and high quality artwork. Thank you to the sponsors for making many of the improvements possible. Click on our sponsor tab to see who our sponsors are and thank them in return.

Lots of volunteers have been working on the field cleaning and painting and in the batting cage making it safe. Thank you to Fernando Padilla, Mac McPherson, Lisa Winick, Johnny Greene, Paul Rosenblum, Willy Phillips, Duane and Rosalie Kumagai, Mark Landis, Sergio Becerra, James Altman, the Jimenez family, Luis Franco, Nino Fanali, Christopher and Matt Park. (I apologize to anyone inadvertently overlooked. Please let me know so I can add you the list.)

Continue to recycle. It pays off - financially and environmentally. The program works thanks to the players who sort and bag and the volunteers, Tammy Montanari, Rebecca Bonney and Jose Perez, who take the items to the recycling center.

Keep up the good work!
Go Vikings.

Best, Nancy Tyre
President, Santa Monica Diamond Club

SAMOHI Baseball – The Diamond Club "Gold Party" at The Parlor - Thurs 3/11 7-9 pm. , you will be donating back 20% of the revenue created by Diamond Club diners to the team! This event will create cash for you from your unwanted gold or silver jewelry while and simultaneously generate a donation from the gold professional for the team. Just bring your old yellow or white gold and silver jewelry you don't wear anymore (don't forget those tangled or broken necklaces as well as unmatched earrings or cuff links, silver platters and serving sets) and trade them in for instant cash for you. Don't worry about not having enough gold to make a difference, you will be surprised by the value of a few small pieces.

While the price of gold, silver, and platinum is so high, now is the time to sell. We will have a gold professional to weigh and test each piece for karat type and purity. Stones can be removed and returned to you. The gold buyer will make you an offer based upon current prices. You can choose to accept the offer or take the jewelry back home with you. As a donation from the gold professional, The Diamond Club will receive an additional portion of the total purchases. You receive a competitive cash offer, Roosevelt Elementary gets a donation, and everyone wins!

The Parlor - 1519 Wilshire Blvd.
Enjoy yourself while your gold is Weighed and measured.
They may put us upstairs so be sure to ask where they have placed our group.

Call 310.770.6418 if you have any questions or if you wish to schedule another time to sell your gold while benefiting The Diamond Club.
